

Dear Family,

Penn Wood Middle School's extra-curricular enrichment program, The Saturday Academy, will be starting soon! The Academy offers free instruction and support to students that may need additional skill development in the subjects of Reading and/or Math outside of regular school hours. Participation in the Saturday Academy is NOT a punishment; rather, it is an opportunity for the student to strengthen, and build upon skills learned in school, so that academic success is more easily attainable.

Academy courses will begin on Saturday, January 20th from 9am to 12pm.

Students attending should make arrangements for transportation, as no bus service will be available. Light breakfast will be served.

To take advantage of this opportunity, simply complete the attached form and have your child return it to his or her homeroom teacher as soon as possible. We will be accepting students until maximum enrollment is reached. Thanks for all that you do, and have a happy and healthy New Year!

Sincerely,
