

# CLUBS, ACTIVITIES, AND SPORTS

Penn Wood High School students have the opportunity to enhance their educational experience by participating in a wide array of extracurricular programs. Clubs, activities and sports are an excellent way to meet new people, learn new skills, and have fun – and are great for your resume when applying to college or the workforce.

The Penn Wood High School Sports program is a member of the Del Val League and PIAA and abides by all rules and safety requirements of these organizations.

For more information about a specific club, activity, or sport, please contact the Supervisor listed in this directory or see Ms. Cleveland in the Guidance Office.
