Dear Parents:

Regular school attendance is essential for students' success. The Pennsylvania Department of Education recently sent to all school districts, new, strict guidelines regarding Regular Attendance. These guidelines have resulted in many school districts implementing new procedures. The William Penn School District has implemented the following procedure, effective immediately.

If you find it necessary to travel outside the United States with your children, they will be dropped from the schools' rolls. Upon return to this country, you will need to make an appointment with the Registration Office in the Administration Building, located at 100 Green Avenue, Lansdowne, PA 19050, to complete Re-Registration by re-verifying your local address. This procedure will avoid you facing Truancy charges in the local courts because we cannot excuse those days of absence when you are out of the country. If you have any questions about this procedure, you may call the Pupil Services Office at 610.284.8005 ext. 1242.

We wish you and your children a successful school year.

Sincerely,

F.M. Bruno
