Parents' Highly Qualified Teacher Information

September 14, 2017

Dear Parent,

Your child's school receives Title I funding and is included under the regulations of the "Every Student Succeeds Act (ESSA) which was passed into law on December 10, 2015. Under ESSA, all teachers must meet a specific legal definition of "highly qualified" in order to teach in schools that receive Title I funding. This includes being licensed for the grades and subjects that he/she teaches. If a child is taught by a teacher who does not meet the ESSA criteria as highly qualified for more than four consecutive weeks, ESSA requires parent notification.

Specifics regarding teacher, certification, etc. here.

We are dedicated to meeting the needs of all students in the William Penn School District and we are working hard to ensure that your child receives the best possible education. If you have any questions or would like additional information, please contact your child's principal or call me at 610-284-8005 extension 1231

Sincerely,

Joseph Conley
