William Penn School District Chromebook Use Agreement

The William Penn School District (“District”) has made a Chromebook available to each Ninth Grade Student at Penn Wood High School to facilitate better learning through the integration of technology into academic instruction. As an added benefit, the District provides students with the option to either leave the Chromebook at school every day, OR to take school-issued Chromebooks home with them subject to the conditions below. In both cases, students are responsible for the appropriate care and appropriate use of the Chromebook. Each student will receive his or her assigned Chromebook once the Student and Parent have completed this agreement form.
